Forbidden peach

Tequila, white peach, batak pepper

a seductive mix of white peach, batak pepper, and a float of red wine.
Sweet, juicy, and dangerously tempting. Some things brings a bit to much lust
and are forbidden for a reason...

Fake Lemon

Rhum, Coconut, Absint

A traditional Tiki drink is anything but lazy, layers of rum, juices, spices, syrups, and
enough ingredients to keep the bartender busy.
We decided that was far too much effort.
So we stripped it down to a single pour. All the Tiki, none of the work.
The perfect cocktail for Sloth.

The world's never famous brown cheese

Rhum, brown cheese, star anis

Norway's most precious ingredient... brown cheese, at least according to Norwegians.
Brown cheese washed rhum made into a rhum based old fashioned.
At least a cocktail we are proud of.
