
BRASSERIE
ASTRID

An impressionistic painting of a restaurant interior. In the center, a man in a brown jacket stands with his back to the viewer, looking towards a woman in a green dress who is seated at a table. To the left, a man and a woman are seated at a table with a white tablecloth, engaged in conversation. In the foreground, a man in a white shirt and dark vest is seated, looking towards the camera. The background features large windows with yellow light filters and a hanging lamp. The overall style is soft and painterly, with visible brushstrokes and a warm color palette.
